SUMMARY

Full Stack Developer with internship experience building responsive web applications using HTML, CSS, JavaScript, and Firebase, plus working knowledge of Java for backend development. Built an e-commerce platform with user authentication, cart management, and payment workflows, and a deep learning capstone applying Vision Transformers to satellite imagery. Experienced in collaborating with development teams to improve user experience and site performance. B.Tech (CSE – AI & ML), 2026.

SKILLS

Languages: JavaScript, HTML5, CSS3, Java

Frameworks & Backend: Firebase (Authentication, Google Sign-In)

Concepts: Full Stack Development, Responsive Web Design, Client-Side State Management, Web Authentication (Google Sign-In)

AI / ML: Deep Learning, Computer Vision, Vision Transformers (ViT), Image Classification

Professional: Microsoft Excel, Word, PowerPoint, Team Collaboration, Time Management, Negotiation, Active Listening

EXPERIENCE

Full Stack Developer Intern | Teachnook Bengaluru | 2025

- Developed responsive front-end interfaces using HTML, CSS, and JavaScript, improving usability across desktop and mobile devices.
- Completed Full Stack Developer and Java Developer internship certifications.

PROJECTS

Vision Transformer-Based Land Use and Land Cover Classification Capstone | 2026

- Built a deep learning model using Vision Transformers (ViT) to classify land use and land cover categories from satellite imagery.

RK Fashions – Full Stack E-Commerce Web Application Personal Project | 2026

- Designed and developed a responsive e-commerce application with HTML, CSS, JavaScript, and Firebase, supporting both desktop and mobile users.
- Implemented secure user authentication with Firebase Authentication, including registration, login, password reset, and Google Sign-In.
- Built core shopping features: product categories and listings, cart management, saved addresses, UPI payment workflow, and order history.
- Managed client-side product and cart state with JavaScript and localStorage for a fast, seamless shopping experience.
